SPECIAL AWARDS

- Farthest Distance Traveled Washington and Lee
- Most Improved Nicholls State
- Last Place Nicholls State B
- Tournament MVP Will Jones (Troy)

i met with Ron Rigamer and Geary Mason who are both working with the tournament. those guys have been doing this for years. so i get to new orleans on june 3, ready to rumble in this softball tournament.

the scores are on the bracket — man, those first round games were blowouts. troy won their first two games by a combined score of 62-2 so it's no wonder they went on to win the whole tournament. you can see troy was on top - on the right side of the bracket — but the southwest texas alums won the losers' bracket on the left, so they got to have another shot at the title. texas took the second game 16-9, so with the games tied 1-1, there had to be a third playoff game for the title. that's where troy won the whole thing in a nail biter, 8-7. will jones showed he deserved the MVP with a home run two RBI single.

looking back on it, i can't believe i went all the way to new orleans. city park, where we played all the games, is now completely under water. i can only hope and pray for all the great people i met at the tournament that they're OK with their families. phi alpha to all my brothers affected and their friends and family - we're here for you!
